The FDLYC is turning 100 in 2020

We're going to celebrate with the  
party of the century

What are we celebrating?

A century of service to the community, boater  
safety, boater fellowship, friendship and fun

It all starts at a Brainstorming Bash

Bring your ideas big and small

None to silly, we'll hear them all

Thursday, November 1

6:30 at the FDLYC
